Stolen Agriculture Report

County: Canadian County

Investigative Services has received the following information:

On February 23, 2016, eight (8) head of Black Angus cows were discovered missing by a Rancher near Calumet, Oklahoma in Canadian county. The cattle were last seen on February 15, 2016.

The cattle are eight (8) bred Black Angus cows (approximately eight months pregnant) each weighing approximately 1100 pounds. Some of the cattle have a brand of R1 on the left hip and some have the brand of R1 on the left shoulder. Each of the cows have ear tags in the left ears. Color of the ear tags and numbers are unknown at this time.

Anyone with information may contact:
