According to Commercial Pet Breeders Rule 35:55-1-9, an annual report must be submitted by February 1, setting forth the number of adult intact female animals held at the facility on December 31, and other information required by the Department. Keep a copy of this report at your facility and, on request, make it available to an agent of ODAFF, local animal control authority, or any inspector designated by ODAFF. A license holder that has more than one facility shall keep separate records and file a separate report for each facility.

Please submit the information below and return via mail, Fax, or email no later than February 1.
